To: Consulate-General of Japan in Hong Kong

I, \_\_\_\_\_, used to reside in Japan as a status of residence of "Permanent Resident" holder.

However, after leaving Japan with valid re-entry permission (including "special re-entry permission"), I was unable to re-enter Japan by the re-entry permission deadline due to the influence of spread of the Novel Coronavirus, consequently, my status of residence expired.

Therefore, I would like to lodge a visa application as attached.

I hereby certify that the above statements are true and correct to the best of my knowledge.
