

Thank you all for signing the book of condolence
in memory of the late former Prime Minister of Japan, Mr ABE Shinzo

July 12th,2022

Over the past two days, many Hong Kong and Macau citizens and Japanese nationals, from all sectors of the community and regardless of their busy schedules, visited the Consulate-General of Japan in Hong Kong to sign the book of condolence. Those who were unable to visit the Consulate in person left us kind messages via email to express their sympathies. The condolence book closed earlier today, (12th July). We would like to take this opportunity to convey our sincere and heartfelt gratitude to everyone who expressed their condolences and we will pass on all of your kind messages to Japan, in memoriam of the late former Prime Minister of Japan, Mr ABE Shinzo.
